Description;

The project offers an exceptional opportunity to live close to the heart of Bahçeşehir, within walking distance of all its attractions and amenities.

It is designed in three stages and provides a total of 2,500 homes and commercial units. The project offers a variety of apartments, ranging from 1+1 to spacious 5+1. Residents will experience elegant living in meticulously planned apartments built with top-quality materials.

The street located within the development, is featured over 100 shops, cafes, and restaurants. Global brands such as KFC, Starbucks, Espressolab, Gloria Jean's, and Mado have started serving in the commercial units of the project.
