Description;

The project Istanbul is coming with new opportunities. The new property project built in Istanbul Beylikduzu includes both flats and commercial areas. Contact us now to evaluate the opportunities waiting for you in the new living space.

The project, one of the new residential projects in Istanbul, is being built on an area of 1500 m². There are 32 properties in total in this construction area. While 26 of these properties consist of flats, 6 of them are commercial units. Thus, you will have the opportunity to invest in both a living space and a commercial space. Each flat consists of 3+1, 3+1 duplex, and 4+1 duplexes. The square meters of these houses range from 150 to 201 square meters.

Location Close to West Marina in the Project

The new Istanbul housing project, which has a central location in Beylikduzu, is 5 minutes away from the E-5. In this way, you will be able to connect to the connection roads very easily from this project. It is also 5 minutes away from 5M Migros shopping mall. Thus, you will be able to easily meet all your daily and continuous needs. In addition to these, it is only 1 minute away from the Birinci Hospital and 10 minutes from the West Istanbul Marina.

All these transportation opportunities will increase the comfort of your living space. You will always find an answer to your needs and wishes. Beylikduzu properties for sale attract attention with their proximity to the marina. In this way, you will be able to add more color to your pleasant moments. While enjoying the peace of the sea, pleasant times will accompany you in restaurants and cafes.
