Description;

A low-rise, very peaceful living space in Istanbul Çekmeköy, one of the most well-known international construction companies that it has designed for every lifestyle. Here you will be in the center of the city, at the center of attraction of life. You can easily reach not only the attraction centers of Istanbul, but also the key points of the transportation networks that extend to every part of the city. In this project, you will experience the privilege of being adjacent to the three important office centers of the Anatolian Side, the top-quality education centers of Çekmeköy, and all other points that will always meet your needs.
