Property Features;

Description;

The project consists of 482 villas. A part is ready and sold; It has been decided that the other part will be delivered in less than a year.

The project has a view of Büyükçekmece Lake and the Marmara Sea and is one of the most beautiful villa type projects; This of course means that he and his surroundings have and will have a stylish and prestigious population.

Another remarkable aspect is the green area of each villa; In this way, in addition to the large areas surrounding each villa, it gives psychological comfort to the viewer and this is a rare situation in Istanbul.
